HOW TO SUCCEED IN YOUR JOB INTERVIEW

BEFORE THE INTERVIEW

1- THINK AHEAD
   bring some useful tools to your interview: a diary, a pen, a notepad, a copy of your cover letter, copies of your CV, proof of your achievements (figures, portfolio…), anything that shows your interest and desire!

2- RESEARCH
   the company. Visit our site (particularly the corporate side), find out the names of the directors, learn about what the company is currently doing and its market…

3- PREPARE
   for your interview, we like that! And good self-presentation always sets you apart… Think about asking someone to rehearse with you.
HOW TO SUCCEED IN YOUR JOB INTERVIEW

DURING THE INTERVIEW

1- **ARRIVE**
   at least 5 minutes early to get yourself ready and to be on time!

2- **INTRODUCE YOURSELF**
   briefly and then let the interviewer explain how the interview will work.

3- **HIGHLIGHT**
   your background by speaking about your education, then explain your professional experience in detail.

4- **SHOW**
   your motivation and passion for the company and job.

5- **BE CURIOUS!**
   Ask questions about the business, the market, the job, the salary, the recruitment process, what is expected of the future employee, reply time frames, etc.
HOW TO SUCCEED IN YOUR JOB INTERVIEW

AFTER THE INTERVIEW

1- THANK
your interviewer and remind them of your availabilties in the coming days.

2- DO NOT HESITATE
to send an email after your interview to once again demonstrate your motivations for the job and also to provide further information: references asked for at the interview, copies of your degrees…

3- SCORE POINTS
by contacting your interviewer again once the standard candidate processing period is up (two or three weeks).

GOOD LUCK 😊
